Example of htlatex

Thomas J. Leeper

August 10, 2018

This is a manuscript. Section 0.1 has a table. Section 0.2 has a figure. Section 0.3 has an equation. For demonstration purposes, here's a reference (Groves et al., 2006).

0.1 A Table

This section has a table. It's Table 1.

0.2 A Figure

This section has a figure. It's Figure 1.

0.3 An equation

This section has an in-line equation: $x^2 = 2^2 = 4$ and an quation environment:

$$a^2 = b^2 + c^2 \tag{1}$$

That's it.
